

# Rosewood Community Association Newsletter

2023 SPRING EDITION

## ROSEWOOD

### Community Message

The Rosewood Community Association has now been in existence in the Rosewood neighborhood for 10 years. In 2012 a group of residents started up his group and it is amazing some of the changes that the group has gone through over the years. The RCA board has evolve over the last 10 years yet we continue to strive to serve the community as it changes.

Volunteering in your community can be a very rewarding experience where you can impact real changes that improve your neighborhood. As a board we have been able to make a lasting impact on the Rosewood community by building infrastructure and providing input in future projects. Being a part of the RCA also allows for opportunities to learn new skills and to meet new people! We are always looking for new volunteers to join the Rosewood Community Association in any capacity, helping with programs, coaching youth sports, rink duties or helping us fundraise.

Please email [president@myrosewood.ca](mailto:president@myrosewood.ca) if you have any questions.

Please share any ideas, feedback, and opinions with us by emailing [info@myrosewood.ca](mailto:info@myrosewood.ca)

Theatre in the Park enters its 11th season with Zero Gravity, a Sci-Fi exploration of climate breakdown and what will happen if we don't start changing the way we live on Mother Earth. There is "No Planet B" and if we continue to use up her resources, what will be left for future generations? Come take a journey with us, with Dr Einstein Reez who carries the weight of the world on his shoulders, as he searches for a solution to save his children and the rest of the world.
