

Rosewood Community Association Newsletter

2022 WINTER EDITION

ROSEWOOD

Community Message

Hello Rosewood Community Members,

It has been a while since we have published a newsletter, but rest assured we are working hard to continue community programs and events. Our rink has also been built over the summer and we are all patiently waiting for it to be flooded in the near future.

As our community continues to grow we are looking for a number of volunteers to join our Community Association Board. If you are interested in joining our board please find the open positions in this newsletter. If you have any questions or need more information please contact our President Erin Bentley at president@myrosewood.ca.

Winter program registration is currently ongoing and Spring registration is upcoming. Note that we'll be following all applicable Public Health Orders with the guidance from the City of Saskatoon and will be requiring all participants and parents/guardians who register for community association programs to comply with any requirements from Saskatoon Public School board and the Greater Saskatoon Catholic School board. More details on our winter program offerings are available in this newsletter, with updates on our website as they come available - <http://www.myrosewood.ca>

Please be sure to watch our Facebook page for the latest updates on community activities and events.

Community Rink Update

The Rosewood Community Rink construction is essentially complete and we are currently waiting for access to the City-owned building to begin flooding. This skating season will be short but we're hopeful for a few nice weeks in late February and early March. Thank you so much to the many volunteers and generous donors who helped fund this \$120,000 project. There were many unforeseen delays throughout construction and lessons learned along the way, but at the end of the day, we believe we will have one of the best outdoor rinks in Saskatoon. Looking ahead, we will need a new rink coordinator to lead a crew of maintenance volunteers so please let us know if you're interested!

Thank you to our Donors!
