

Rosewood Outdoor Community Rink Sponsorship

The vision for the Rosewood Community Association (RCA) Outdoor Rink Project is to establish a multi-season venue for sports and events for all community members to enjoy. Over the next two years the RCA, in partnership with the City of Saskatoon, will be fundraising and developing our outdoor rink facility which will include an and energy efficient 40 m² rink warm-up building and storage, associated outdoor seating areas, and a lighted outdoor 75% NHL-size skating surface, including safety fencing. The City of Saskatoon has dedicated land and utility resources for the outdoor rink facility and is working closely with the RCA to develop an outstanding legacy facility for the community and surrounding areas.

Rosewood's outdoor community rink, including a warm-up building, will be located behind the Rosewood P3 Elementary School Complex in the Glen H. Penner Park. We have a hopeful completion date of Fall 2020. Your help will get us there!

We need your help to make it happen!
